The Fourth Sheet

Example report · Not-for-profits

SAMPLE DATA · invented figures for demonstration

How many people did you help this month, and how many couldn't you reach?

Period: December 2025. People helped by each program, day by day, and the people who came to a program but couldn't be helped (and why). People helped are counted against each program's own grant spend.

How final is this data?

December 2025 Locked December 2025 is locked (closed 5 Jan 2026). These numbers won't change.

In short: 521 people helped in December; 43 couldn't be reached (92.4% reached, target 90.0%).

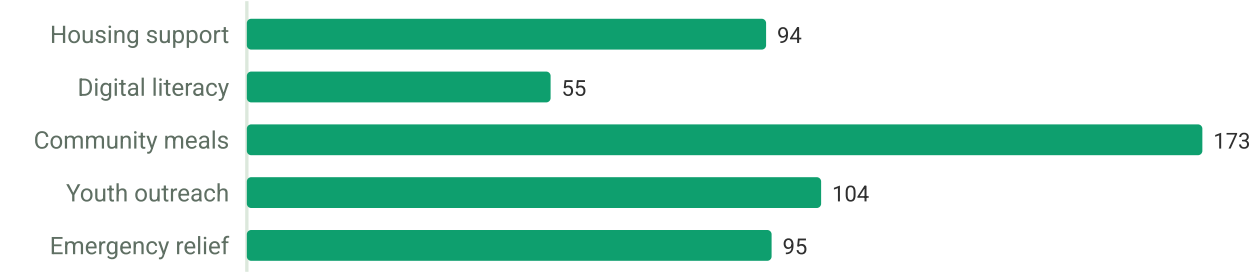

People helped, December	Couldn't reach, December	Share reached, December
521	**43**	**92.4%**
November 495	November 52	target 90.0%

Share of people reached, by program, December 2025
