The Fourth Sheet

Example report · Not-for-profits

SAMPLE DATA · invented figures for demonstration

How many people did you help this month, and how many couldn't you reach?

Period: January 2026. People helped by each program, day by day, and the people who came to a program but couldn't be helped (and why). People helped are counted against each program's own grant spend.

How final is this data?

January 2026 Locked January 2026 is locked (closed 3 Feb 2026). These numbers won't change.

In short: 427 people helped in January; 49 couldn't be reached (89.7% reached, target 90.0%).

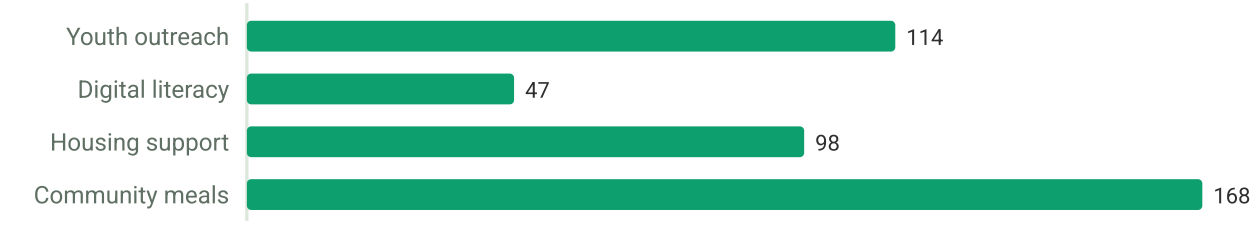

People helped, January	Couldn't reach, January	Share reached, January
427	**49**	**89.7%**
December 521	December 43	target 90.0%

Share of people reached, by program, January 2026
