The Fourth Sheet

Example report · Not-for-profits

SAMPLE DATA · invented figures for demonstration

How many people did you help this month, and how many couldn't you reach?

Period: February 2026. People helped by each program, day by day, and the people who came to a program but couldn't be helped (and why). People helped are counted against each program's own grant spend.

How final is this data?

February 2026 Locked February 2026 is locked (closed 3 Mar 2026). These numbers won't change.

In short: 396 people helped in February; 43 couldn't be reached (90.2% reached, target 90.0%).

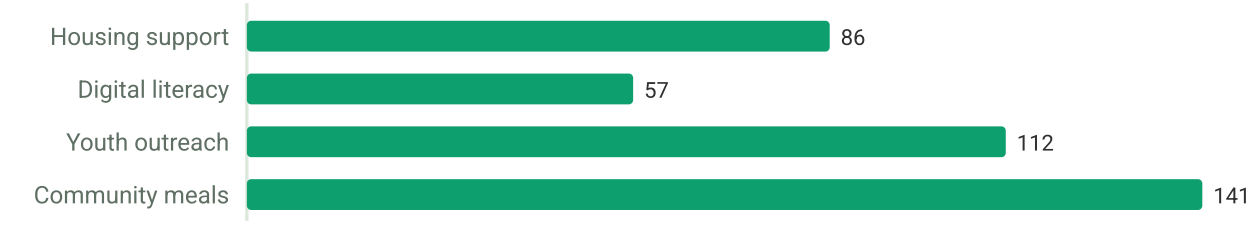

People helped, February	Couldn't reach, February	Share reached, February
396	**43**	**90.2%**
January 427	January 49	target 90.0%
