The Fourth Sheet

Example report · Not-for-profits

SAMPLE DATA · invented figures for demonstration

How many people did you help this month, and how many couldn't you reach?

Period: March 2026. People helped by each program, day by day, and the people who came to a program but couldn't be helped (and why). People helped are counted against each program's own grant spend.

How final is this data?

March 2026 Locked March 2026 is locked (closed 2 Apr 2026). These numbers won't change.

In short: 412 people helped in March; 69 couldn't be reached (85.7% reached, target 90.0%).

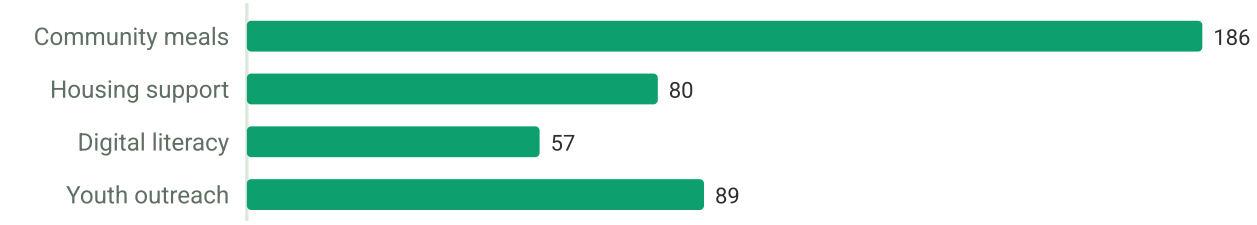

People helped, March	Couldn't reach, March	Share reached, March
412	**69**	**85.7%**
February 396	February 43	target 90.0%
