The Fourth Sheet

Example report · Not-for-profits

SAMPLE DATA · invented figures for demonstration

How many people did you help this month, and how many couldn't you reach?

Period: May 2026. People helped by each program, day by day, and the people who came to a program but couldn't be helped (and why). People helped are counted against each program's own grant spend.

How final is this data?

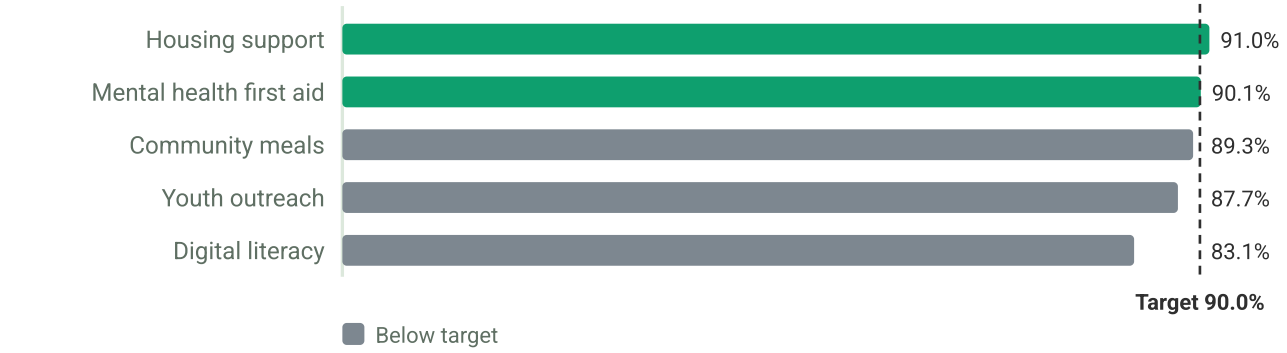

May 2026 Locked May 2026 is locked (closed 2 Jun 2026). These numbers won't change.

In short: 487 people helped in May; 62 couldn't be reached (88.7% reached, target 90.0%).

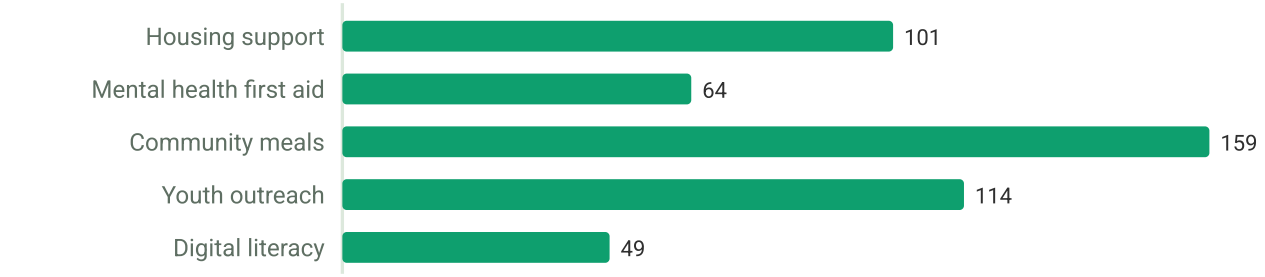

People helped, May	Couldn't reach, May	Share reached, May
487	**62**	**88.7%**
April 491	April 93	target 90.0%

Share of people reached, by program, May 2026
