The Fourth Sheet

Example report · Not-for-profits

SAMPLE DATA · invented figures for demonstration

How many people did you help this month, and how many couldn't you reach?

Period: June 2026. People helped by each program, day by day, and the people who came to a program but couldn't be helped (and why). People helped are counted against each program's own grant spend.

How final is this data?

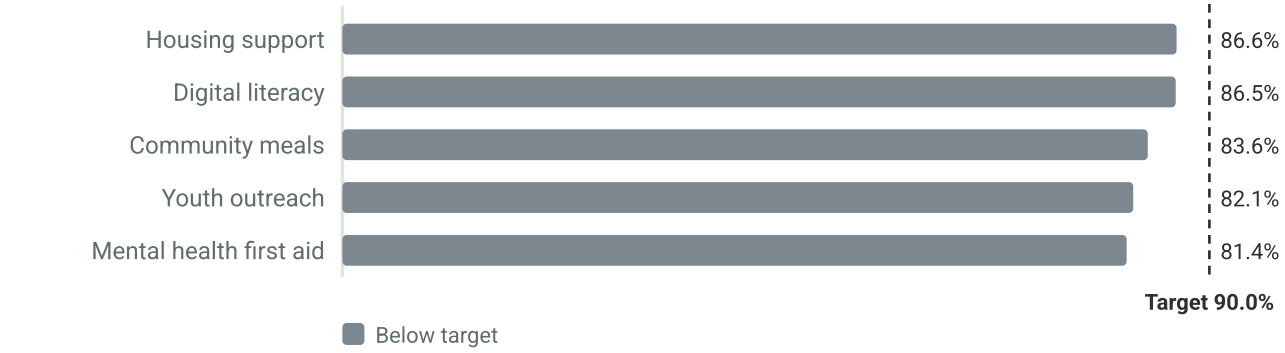

June 2026 Locked June 2026 is locked (closed 2 Jul 2026). These numbers won't change.

In short: 490 people helped in June; 95 couldn't be reached (83.8% reached, target 90.0%).

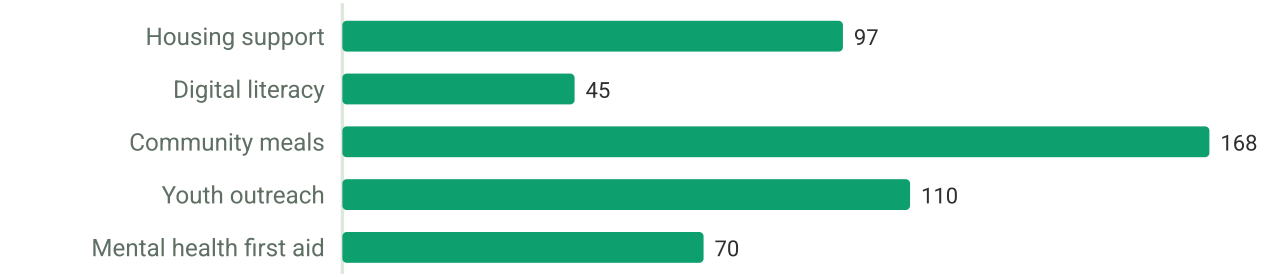

People helped, June	Couldn't reach, June	Share reached, June
490	**95**	**83.8%**
May 487	May 62	target 90.0%
