The Fourth Sheet

Example report · Not-for-profits

SAMPLE DATA · invented figures for demonstration

How many people did you help this month, and how many couldn't you reach?

Period: August 2026. People helped by each program, day by day, and the people who came to a program but couldn't be helped (and why). People helped are counted against each program's own grant spend.

How final is this data?

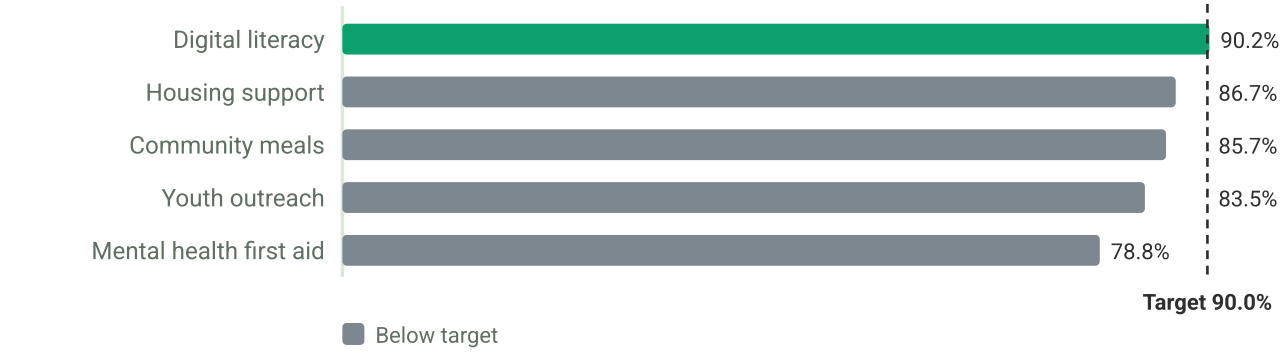

August 2026 Locked August 2026 is locked (closed 2 Sep 2026). These numbers won't change.

In short: 522 people helped in August; 93 couldn't be reached (84.9% reached, target 90.0%).

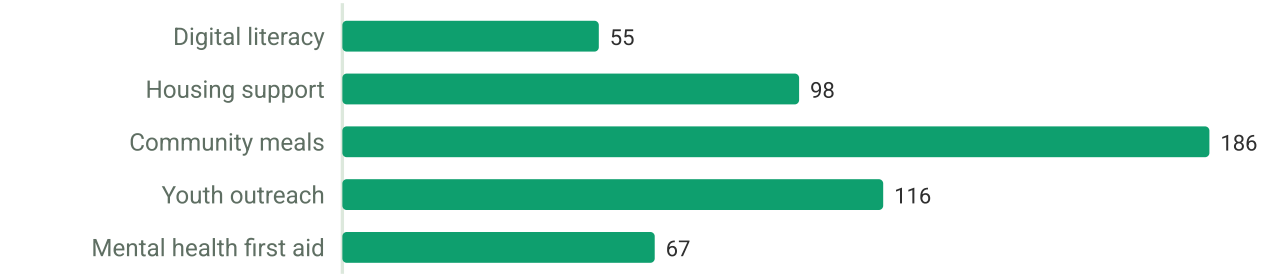

People helped, August	Couldn't reach, August	Share reached, August
522	**93**	**84.9%**
July 497	July 94	target 90.0%

Share of people reached, by program, August 2026
