The Fourth Sheet

Example report · Not-for-profits

SAMPLE DATA · invented figures for demonstration

How many people did you help this month, and how many couldn't you reach?

Period: September 2026. People helped by each program, day by day, and the people who came to a program but couldn't be helped (and why). People helped are counted against each program's own grant spend.

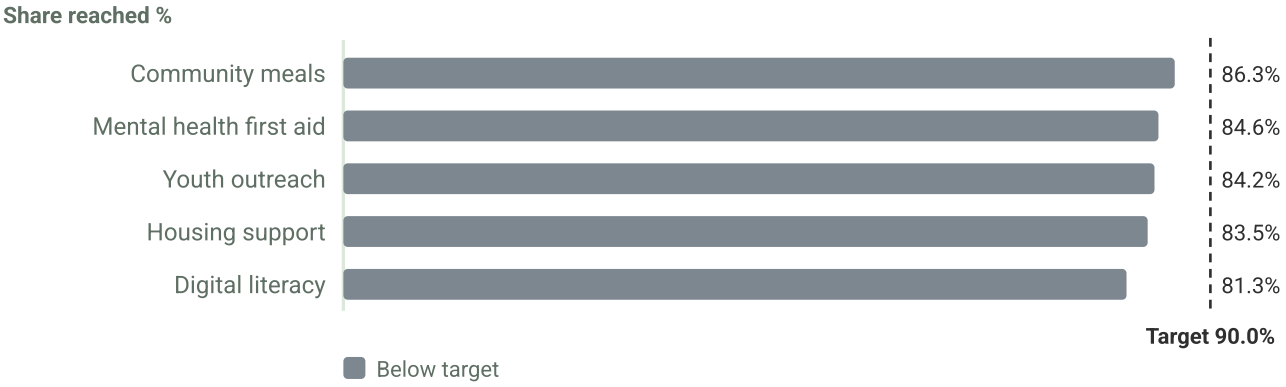

How final is this data?

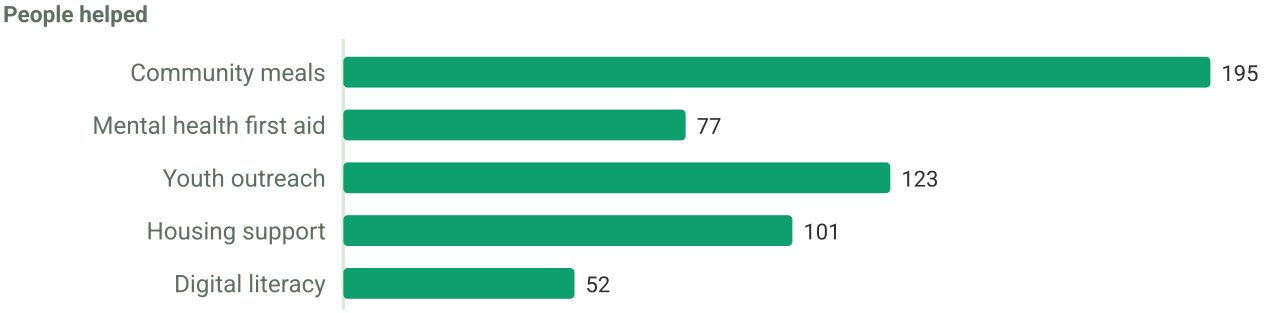

September 2026 Locked September 2026 is locked (closed 2 Oct 2026). These numbers won't change.

In short: 548 people helped in September; 100 couldn't be reached (84.6% reached, target 90.0%).

People helped, September	Couldn't reach, September	Share reached, September
548	**100**	**84.6%**
August 522	August 93	target 90.0%

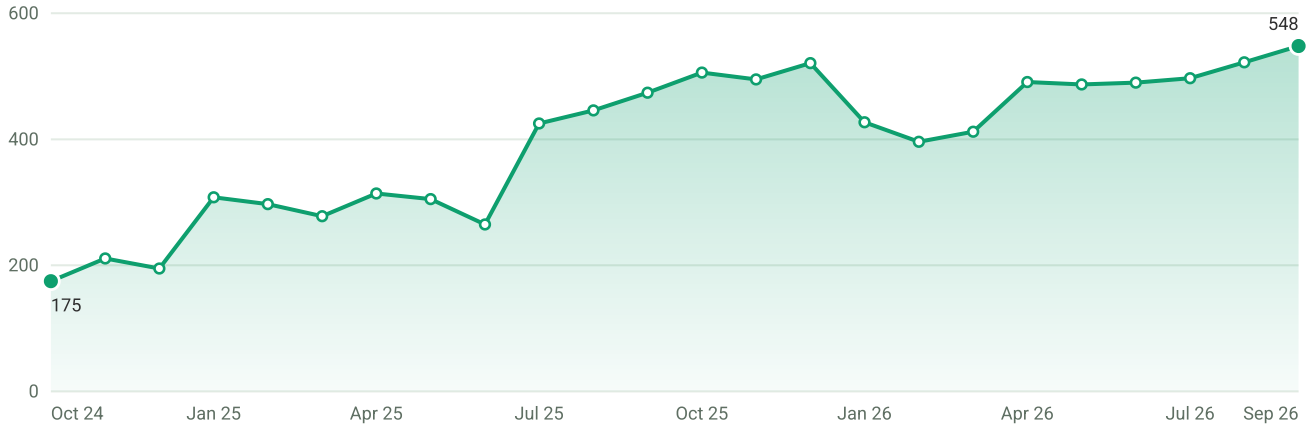

Share of people reached, by program, September 2026
