The Fourth Sheet

Example report · Not-for-profits

SAMPLE DATA · invented figures for demonstration

How many people did you help this month, and how many couldn't you reach?

Period: October 2026 to date. People helped by each program, day by day, and the people who came to a program but couldn't be helped (and why). People helped are counted against each program's own grant spend.

How final is this data?

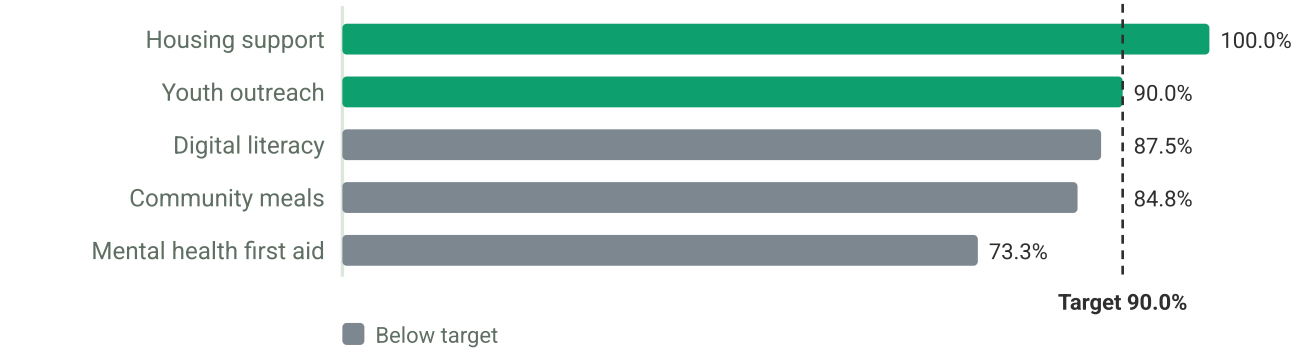

October 2026 Incomplete October 2026 is still in progress: figures to 6 Oct only.

In short: 78 people helped in October so far; 12 couldn't be reached (86.7% reached, target 90.0%).

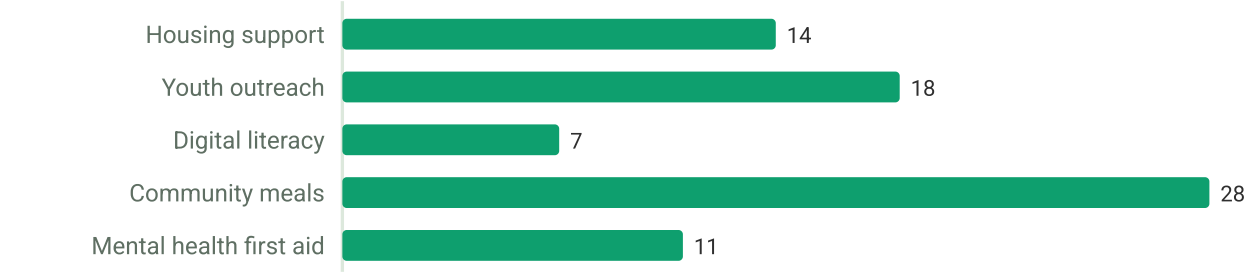

People helped, October so far	Couldn't reach, October so far	Share reached, October so far
78	**12**	**86.7%**
September 548	September 100	target 90.0%

Share of people reached, by program, October 2026 to date
